**ADMINISTRATIVE LAW JUDGE'S RULING ADDING SAGE TELECOM, INC.
TO THE 271/ARBITRATION SERVICE LIST AS AN APPEARANCE**

On May 1, 1998, the undersigned Administrative Law Judge (ALJ) issued an ALJ ruling closing the 271/Arbitration service list to any additional appearances that have not stated good cause.

On November 5, 2001, Sage Telecom, Inc. (Sage) moved to intervene as an appearance and asked to be added to the service list in the above-titled proceeding. Sage is a Texas-based local exchange carrier that only recently received its Certificate of Public Convenience and Necessity to offer local exchange and exchange access services in Pacific Bell Telephone Company's

(Pacific) service territory. It requested leave to intervene concurrent with its response to the unbundled network element (UNE) pricing proposal Pacific recently filed in this docket. Sage maintains that it solely represents the perspective of carriers that offer services exclusively through the UNE Platform. It further states that it does not seek to broaden the issues, or unduly delay the schedule of this proceeding.

Thus, for good cause shown, **IT IS RULED** that:

1. Sage shall be added as an appearance to the 271/Arbitration Service List through Glenn Stover, Esq., Hanson, Bridgett, Marcus, Vlahos & Rudy; 333 Market Street, 23rd Floor, San Francisco, California 94105. The electronic-mail address is gstover@hansonbridgett.com.
2. Sage becomes a participant on a going forward basis.
3. The Commission's website posting of the 271/Arbitration Service List shall be amended accordingly.
4. Parties are advised to update the service list in this proceeding to reflect this change.

Dated November 30, 2001, at San Francisco, California.
